Established in 1965, Bahne is a premium Danish retailer within interior design, homeware, and fashion. Bahne Interior – Bahne’s own design brand - is a great mix of trends and quirky details that provides plenty of opportunity for the consumer to create an interesting and highly personal expression at home.

Bahne Interior offers a wide selection of home décor, kitchen- and tableware, wellness products and bathroom accessories which cater to the modern consumer who cares about design and sustainability. The individual collections are created as universes that solve the entire category and can be supplemented on an ongoing basis.

Launching new trend collections twice a year, each collection is designed by Bahne’s inhouse team of designers and retail specialists, with a focus on out-of-store sales combined with surprising elements and constant renewal to keep customers interested. The assortments are continuously developed and tested in Bahne’s 22 brand stores, and therefore provide wholesale customers with security for a commercial approach with a focus on good earnings.

In 2019, Bahne won the international Gia Award for “retail excellence” and received the prestigious award at GIA’s gala party in Chicago.

THE MAGIC OF HOLOGRAPHIC EFFECT

Crafting magic with natural fibers

These items are made of cotton fabric waste from the fashion industry. It is mixed with sago's starch extracted from tropical palm. No trees have been cut in the making of the 100% biodegradable product. The vases are suitable for dry flowers.

UPCYCLED CUSHIONS

made from PET bottles

PET bottles are collected and made into flakes. The PET flakes are extruded into PET yarn. The PET yarn is woven into rugs and cushions. The items are made from 100% recycled PET bottles. Colors are washable and UV resistant for outdoor use and are mould resistant.

Coffee to go and bowls in PLA

The products below are made from the material PLA. It is a renewable material that is plant-based rather than fossil-based. The surface feels smooth and soft like silk. The material can withstand the dishwasher and microwave. The advantages of this material are that it is biodegradable and does not contain petroleum, plastic, melamine, BPA, and other toxic substances.

CHOPPING BOARDS

Care for your wooden boards

Soaking will damage wood and make it split. Instead rinse boards and other wooden items under hot water. Wash on both sides, air dry or wipe them off.

Cutting boards must be oiled w. mineral oil regularly to avoid discoloration and to prevent food odors and bacteria.

Care for your marble, slate, quartz stone and granite boards

Stone boards must be cleaned with a damp cloth and mild soap (must not soak). Avoid cleaning detergents with grinding effect, they can harm the surface. Rinse and dry thoroughly.

GOTS CERTIFIED ORGANICS

GOTS (Global Organic Textile Standard) guarantees organic products healthy for you and the environment including fair working conditions free from harmful chemicals from harvest to manufacture including finishing processes. GOTS also guarantees that the disposal of waste is handled in a proper way. Strict guidelines as to appropriate working hours and working conditions, livable wages, and no child labour. For further information: www.global-standard.org.

OEKO-TEX STANDARD 100

OEKO-Tex Standard 100 is a global program for screening of harmful substances in consumer textiles. Products with the OEKO-tex label are 100% free from harmful substances including toxins and irritants.

Choosing Satin or Percale Bed linen

Satin is woven from mercerized and extra fine yarn, which gives a soft, smooth, very durable surface. Percale is a particularly dense weave of finer yarns, which gives a breathable, heat-regulating and soft surface. 100% cotton, organic – GOTS certified. Both duvet cover and pillowcase with zipper closure.

gorm's

Gorm Wishweh is Denmark's Pizza King nr. 1, a TV personality, restaurant owner and a damn good chef! He is an original and self-taught pizza miracle maker, who found his calling after many hours of work as a pizzaiolo in his mother's café in Svaneke, Bornholm, testing recipes and trying new ingredients.

What started as a passion for pizza, has since 2008 grown into an impressive chain of restaurants and pizzabars, food trucks as well as catering, private dining, and other event services. All with a focus on providing pizza

lovers with an original pizza experience, an unpretentious atmosphere and high-quality food.

The Gorm's collection includes everything needed for becoming a pizza master at home. The designs are the result of Gorm's own needs and wishes for the ideal kitchenware for pizza baking and serving.

With a focus on craftsmanship, the collection is uncompromising in function and quality, with all products thoroughly tested by Gorm himself and many used daily in Gorm's restaurants.

Care for your Gorm's items

Soaking will damage the wood and make it split. Instead rinse boards and other wooden items under hot water. Wash on both sides, air dry or wipe them off.

Cutting boards must be oiled with mineral oil regularly to avoid discoloration and to prevent food odors and bacteria.

Care information

GOTS CERTIFIED ORGANICS

GOTS (Global Organic Textile Standard) guarantees organic products healthy for you and the environment, including fair working conditions, free from harmful chemicals, from harvest to manufacture including finishing processes. GOTS also guarantees that the disposal of waste is handled in a proper way. Strict guidelines as to appropriate working hours and working conditions, livable wages, and no child labor. For further information: www.global-standard.org.

OEKO-TEX STANDARD 100

OEKO-Tex Standard 100 is a global program for screening of harmful substances in consumer textiles. Products with the OEKO-Tex label is 100% free from harmful substances including toxins and irritants.

TEXTILES

Our tea towels are made in Europe. They are made from 100% cotton, organic, jacquard woven and have a high absorbency. Our dishcloths are also made from 100% cotton, organic and they are GOTS-certified. Towels and dishcloths are machine washable at 60 degrees.

TABLEWARE

All tableware with gold-decal must be hand washed with mild dish soap. All tableware decals are hand placed, small irregularities can occur.

MOUTH-BLOWN BOROSILICATE GLASS – EACH ITEM IS UNIQUE

There may be irregularities in the color/surface of mouth-blown glass. Borosilicate glass is reusable and both BPA and chemical free. Thermal shock resistance max 120°C. Our glasses are dishwasher safe, the borosilicate glass straws must be cleaned with the brush provided with the set.

CUTLERY

Our cutlery must be hands washed (mild soap). Water containing iron and chlorine can result in rust stains. Food containing acid as in ketchup, mustard, egg, lemon, etc. can cause rust stains. We recommend that the cutlery is rinsed or washed immediately after use.

MARBLE ITEMS

All marble must be cleaned gentle with a damp cloth and mild dish soap (must not soak). Also avoid cleaning detergents with grinding effect. Rinse and dry thoroughly. Dishwasher is a no go, detergents can harm the finish, and exposure to high heat and lots of water can and even cause fractures and cracks. All our marble items are food approved.

SILICONE TOOLS

They are both stain- and odor-resistant! Because of the characteristics of silicone, it does not retain odors or colors when you use it for stirring deep-colored food like e.g. tomato-based food products. All silicone tools without wooden handle are dishwasher safe, all silicone tool with wooden handles must be hand washed.

GLASS AND CRYSTAL GLASS CANDLE HOLDERS

Hard or pointed items will damage the surface. Clean with a soft, dry cloth, do not use dishwasher, washing powder or other abrasive materials as such substances will harm the candle holders.

GIFT BOXED ITEMS

Many of our items comes in lovely gift boxes, ready to bring joy! Miss Étoile gift box is feminine and easily recognizable. All gift boxed items are marked with the gift box icon. Items marked with a black icon comes in a discreet yet stylish white box with the Miss Étoile logo print. Items marked with a pink icon comes in a special designed color box with text and the Miss Étoile logo print.

Welcome to Cozy living

We are grateful for your order and the trust you have placed in us. We will do everything in our power to meet your expectations and hope for a long-lasting and successful partnership.

Orders

When a customer places an order with Cozy living, the order is binding. Cozy Living reserves the right to make changes to the order, such as if the goods are not in stock, delayed, have been discontinued or similar.

Orders are being shipped immediately

If no other instructions are provided by the customer when placing the order, Cozy living will confirm and ship the order immediately. By placing an order with Cozy living, the customer waives their right to make any changes to the order unless they specific note this on the specific order and not in a separate email.

Delivery Lead Time

The delivery time specified on the order confirmation by Cozy living is an estimate made to the best of Cozy living's knowledge and is therefore non-binding for Cozy living. The date is an estimate for when the goods will be available in Cozy living warehouse and not when it will actually arrive at the Customer. The delivery leadtime varies from country to country.

Delivery of goods

Unless otherwise stated in the order confirmation, the delivery will take place at the address designated by the buyer. The shipment of the order will be at the buyer's expense and via a shipping company designated by Cozy living.

Cozy living aims to deliver the ordered goods as a complete order but reserves the right to make partial deliveries.

The delivery will take place at the first curb at the specified delivery address, where the delivery truck is able to park and unload.

Any shortages or damages on the pallet must be reported to Cozy living within 24 hours of receiving the pallet. Claims for shortages or damages reported after this period will not be accepted.

To ensure that your rights are protected, it is important to make note of any visible damages on the pallet at the time of delivery on the driver's delivery receipt. Failure to do so may result in the forfeiture of your right to make a claim.

Unsuccessful Delivery

If the goods have not been received within 8 days after the invoice has been sent, the buyer is obligated to inform Cozy living within 8 days. If the buyer fails to do so, they will lose the right to claim any missing delivery.

If the buyer changes the delivery address on an order after the goods have been sent, Cozy living has the right to charge an administrative fee of up to 15% of the value of the total order.

Shipping cost, Minimum Order, Customs Clearance tariff

See current minimum order value, available shipping options and applicable rates for freight and customs clearance in the current applicable Rate sheet.

Back orders

If products on small orders or back-orders are not suitable to be shipped as individual parcels, they will be shipped together with your next delivery in order to prevent any damage and extra cost.

Payment terms

We offer 14 days net payment terms to all customer which are approved by our insurance company. If customers unfortunately for some unknown reason can not be approved, we kindly ask for prepayment of the order.

Cozy Living reserves the right to retain ownership of the goods sold until the full purchase price, including any interest and costs, have been paid, subject to the limitations imposed by mandatory legal rules.

Overdue payment

If the customer fails to make a full payment by the specified due date, a default interest of 2% will be charged for each month starting from the due date until payment is made. Any payment default on the part of the customer will be considered a material breach, and Cozy living will have the right to stop any further deliveries to the customer.

Product Liability

Cozy living shall assume product liability in accordance with current applicable legislation but shall not assume any liability in excess of what is provided by Danish law. In no event shall Cozy living be liable for operating loss, loss of profit or any other indirect loss.

Force Majeure

Cozy living is only liable for direct loss to the buyer and shall not be liable for any indirect loss, including loss of profit, claims from the buyer's customers due to lack of or defective delivery, etc.

Cozy living shall be released from any obligation to the buyer resulting from circumstances that prevent the fulfillment of the agreement or make it excessively burdensome, including labor conflicts and any other circumstances that Cozy living is not in control of, such as fire, war, seizure, currency restrictions, rebellion and disturbances, lack of transport, general shortage of goods, restrictions on power and shortages or delays in deliveries from sub-suppliers due to any of the circumstances mentioned in this paragraph or other cases of force majeure.
