Warm Revival

When opposites meet, good things happen. This season, rich, grounded tones meet soft pastels in a colour story built on contrast.

Sometimes colors stand alone. Sometimes they work in duos. Sometimes they come together in bold two-tone patterns or playful multi-colour combinations. Endless ways to make this trend your own.

Natural Luxury

Rich colours and honest materials are at the heart of Natural Luxury. Burgundy, green, mocha and the new plum purple are paired with wood, marble, glossy and matt metal to create products with warmth and character.

Sometimes it's the richness of the colour.
Sometimes it's the beauty of the material.
Endless ways to bring natural luxury to every interior.

Modern Harmony

Modern Harmony is inspired by Scandinavian design, where simplicity and colour go hand in hand.

Muted tones are thoughtfully combined in complementary pairings, gentle gradients and soft accents to create products that feel fresh, balanced and timeless.

KARLSSON

Q U A L I T Y T I M E

Karlsson is the king of clocks. Our clocks feature flowing, aesthetic shapes and are given a trendy look.

The brand stands for high quality, combined with beautiful graphic elements. With over 30 years of experience, Karlsson clocks have a unique look and their own character, resulting from a special collaboration between the in-house creative team and international and national designers.

Karlsson's collection is accessible to everyone and every interior. Get ready for trendy colours, modern elements, timeless designs and subtle playful details.

SYMBOLS

Throughout the catalogue, you'll find icons to help you quickly identify key features of Karlsson clocks. Here's what they mean:

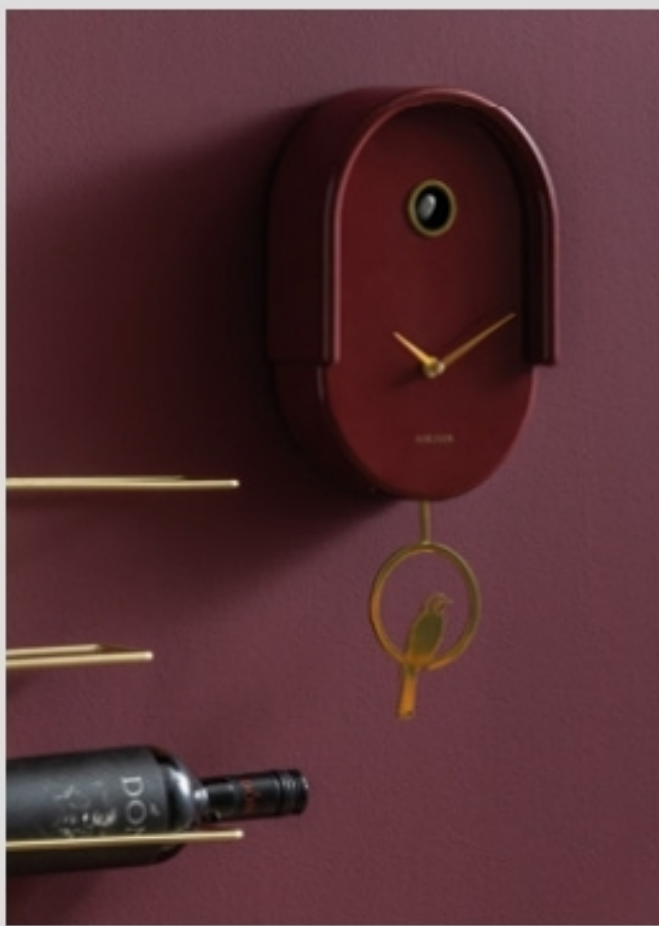

-  Clock has a light to help you see the time in the dark.
-  This clock is an alarm clock with silent movement.
-  Ultra-quiet clock movement. No ticking sound to distract you. The second hand moves in a smooth, continuous motion.
-  Pendulum movement - this brings a swinging motion to the clock design. This motion shows the seconds passing by.
-  Motion activated sound. Or makes a sound every hour.
-  Indicates a wireless phone charger function

IN MEMORIAM – JOYCE VAN KRIEKEN

One out of seven women and some men get to deal with breast cancer in their lives.

Our dear colleague Joyce van Krieken was one of those women.

Unfortunately, she lost her battle against cancer. In her memory we dedicate 5% of the proceeds of the Joy clock, a clock she designed for Karlsson, to Pink Ribbon.

Pink Ribbon is a foundation which supports the research of breast cancer, not only to cure, but also for prevention, personal treatment plans, and quality of life.
